The Hon'ble HC vide its judgement dated 15.02.2016 has granted partial relief to the company and directed the Government of Karnataka (GOK) to refund the FDT collected earlier. Following the judgement the company has vide its letter dated 09.03.2016 filed an application for refund of 2325.73 lakhs towards FDT collected earlier. However some of the mining companies have since gone on appeal before the Hon'ble Supreme Court against the above judgement. Pending disposal of the appeal, the company has not recognised the said refund claim in its books of account
- 7 Company's business consists of two Reportable segments viz., Ferrous products and Metallurgical Coke with Co-generation Power.
- 8 The performance of the Company during the quarter impacted adversely due to working capital constraints resulting in suboptimal operations. The Company has requested the secured lenders to restructure the loans under 'Scheme for Sustainable Structuring of Stressed Assets' (S4A scheme) which is under progress. Due to tight cash flows and non-availability of working capital limits the operations at ferrous division have been impacted and the plant was under shut down since 12th June 2017. The operations at Kudithini works too were impacted where Metallurgical Coke facility is running on job work basis and power generation has been shut down. This impact is likely to continue until the restructuring of the loans are done by the financing institutions and banks.
- 9 Figures of the previous period have been rearranged/ regrouped wherever necessary.
